FAYETTEVILLE/CUMBERLAND COUNTY CONTINUUM OF CARE ON HOMELESSNESS

2024/25 COC PROGRAM GRANT COMPETITION PROCESS

INTRODUCTION

The U.S Department of Housing and Urban Development (HUD) released the 2024/25 Notice of Funding Opportunity (NOFO) for the Continuum of Care (CoC) Homeless Assistance Program on July 5, 2024. The FY2024 NOFO is available at [FY 2024 and FY 2025 Continuum of Care Competition and Renewal or Replacement of Youth Homeless Demonstration Program Grants \(hud.gov\)](#). Cumberland County Community Development (CCCD), as the lead agency and Collaborative Applicant for the Fayetteville / Cumberland County Continuum of Care (FCCCoc) on Homelessness, is encouraging eligible agencies to apply for funding made available through the CoC Program NOFO. All local project applications must be submitted by the local deadline (**September 23, 2024, 11:59 p.m. EST**) in order for the project applications to be considered for funding by FCCCoC and submitted to HUD by the deadline date.

CCCD will hold an informational webinar on August 29, 2024 at 10:00 am to ensure that interested parties have a full understanding of the application process and requirements.

HUD's Continuum of Care (CoC) Program (24 CFR part 578) is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, states, Indian Tribes or tribally designated housing entities (as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHEs), and local governments to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness.

The CoC Program NOFO sets up the procedure by which a local CoC, through its designee, submits a single collaborative application to fund eligible projects that advance the local CoC's goals. The consolidated application that CCCD will submit for the FY2024/25 CoC Program Grant Competition will include eligible new projects and renewal projects. FCCCoC is seeking proposals from local providers to develop projects that would provide housing and services for persons experiencing homelessness.

The application and selection process for the FY 2024 funds awarded through this NOFO (the FY 2024 CoC Program and YHDP funds) will proceed much like it has in prior-year competitions. However, CoCs are only required to submit one CoC application that will be applicable to the FY 2024 and FY 2025 funds. HUD reserves the right to award available FY 2025 funds (the FY 2025 CoC program and YHDP funds) based on this NOFO competition. Projects that are awarded FY 2024 funds may be eligible for award of FY 2025 funds using their FY 2024 application submission and are not required to apply for renewal for FY 2025 funds.

Project applications must be submitted in HUD's electronic grant application system *e-snaps* no later than **September 26, 2024, 11:59:59 p.m., eastern time**. CCCD will provide applicants with access to *e-snaps* and technical assistance regarding the use of the system.

FUNDING AVAILABILITY

FCCCoc expects renewal and new projects to be awarded a combined total of \$835,668 in this funding round. The following are estimated amounts available:

Preliminary Pro Rata Need	\$2,483,506
Total Annual Renewal Demand (ARD)	\$835,668
Tier 1	\$752,101
CoC Bonus (New Project)	\$298,021
DV Bonus (New Project)	\$372,526
CoC Planning (not competitively ranked) *	\$124,175

*Only the Collaborative Applicant (lead agency) can apply for CoC Planning.

MATCHING FUNDS

The grantee must match all grant funds, except for leasing funds, with no less than 25% of funds or in-kind contributions from other sources. Guidance regarding cash and in-kind match is at 24 CFR 578.73. Cash match must be used for the costs of activities that are eligible CoC Program costs. Refer to the [CoC Program NOFO](#) for additional information.

GRANT TERM

Renewal projects may only apply for one-year grant terms. New projects may request funds for an initial grant term of 1 year, 2 years, 3 years, 4 years, 5 years, or 15 years depending on the project, and as outlined below.

- (a) HUD will allow new projects to request 1 year of funding with a longer initial grant term not to exceed 18 months. HUD has determined that most new projects requesting 1 year of funding normally take approximately 3 to 6 months to begin fully operating the new project (e.g., hiring staff, developing partnerships with landowners if leasing or renting). Therefore, a new project requesting 1 year of funding may request a grant term of 12 months to 18 months that will allow for the additional start-up process. Any new projects requesting capital costs (i.e., new construction, acquisition, or rehabilitation) are not eligible for 1-year funding requests. See (g) below for more information on new projects requesting capital costs. Transition grant applications cannot request 18-month grant terms.
- (b) Any new expansion project submitted to expand an eligible renewal CoC Program funded project may only request a 1-year grant term, regardless of the project type.
- (c) Any new project that requests tenant-based rental assistance may request a 1-year, 2-year, 3-year, 4-year, or 5-year grant term.
- (d) Any new project that requests leasing costs - either leasing costs only or leasing costs plus other costs (e.g., supportive services, HMIS) - may request up to a 3-year grant term.
- (e) Any new project that requests project-based rental assistance or sponsor-based rental assistance, or operating costs may request up to a 15-year grant term; however, the project applicant may only request up to 5 years of funds. Funding for the remainder of the term is subject to availability. Applicants must apply for additional funds through a renewal project application in the competition held in the calendar year prior to the anniversary of the first expenditure of grant funds, or if HUD has extended the grant term, the date the extension expires. HUD does not guarantee CoC Program funds past the initial 5-year grant term, if conditionally awarded.
- (f) Any new project that requests operating costs, supportive services only, HMIS, and project administrative costs may request 1-year, 2-year, 3-year, 4-year, or 5-year grant terms with funding for the same number of years.
- (g) Any new project conditionally selected by HUD that requests new construction, acquisition, or rehabilitation costs (capital costs) must request a minimum of a 3-year grant term and may request up to a 5-year grant term. Any new projects requesting capital costs are not eligible for 1-year funding requests. If a new project requests 1 year of funding with capital costs, HUD will increase the grant term to 3-years and the new project must spend the funds requested over a 3-year period. If an applicant requests funds for new construction, acquisition, or rehabilitation in addition to requesting funds for operating, supportive services, or HMIS, the funding will be for the 3-years to 5-years requested, and the grant term will be 3-years to 5-years plus the time necessary to acquire the property, complete construction, and begin operating the project. HUD will require recordation of a HUD-approved use and repayment covenant before funds can be drawn down (the form can be obtained from the local HUD CPD field office) for all grants of funds for new construction, acquisition, and rehabilitation. (24 CFR 578.81)

Project applications will be categorized as one of the following: Standard Renewal or New. All project applications will be evaluated and scored using an objective and system performance criteria. The FCCCoC Performance Evaluation & Grants Review Committee will consider the priorities and information contained in the FY2024 CoC Program NOFO. Projects will be ranked based on the score and in accordance with the FCCCoC's project application evaluation policy.

The following types of projects are eligible for funding in this competition:

1. Standard Renewal Projects

Projects currently funded under HUD's CoC Program and listed on the HUD's FY2024 [Grant Inventory Sheet \(GIW\)](#) are eligible for renewal for FY 2024 funds if they have a grant agreement that expires in Calendar Year 2024. These projects will be evaluated using objective and performance criteria outlined in FCCCoC's scoring and ranking.

2. New Projects

New projects are projects that have never been awarded CoC Program funds. These projects will be evaluated and scored using FCCCoC's scoring criteria, guidance, and HUD's priorities listed in the CoC Program NOFO. **New organizations (with no prior CoC funding experience) are encouraged to apply.**

A. New Projects Created Through the Reallocation Process, CoC Bonus, or a combination of reallocation and CoC Bonus, and new Domestic Violence (DV) Bonus projects.

Reallocation is the process of removing funding (in whole or in part) from a renewal project to fund a new project. FCCCoC's Reallocation Plan will be followed for any projects funded through the reallocation process.

Applicants may use reallocated funds to create:

- 1) Permanent housing-permanent supportive housing (PH-PSH) projects that meet the requirements of Dedicated PLUS as defined in the 2024 CoC Program NOFO or where 100 percent of the beds are dedicated to individuals and families experiencing chronic homelessness, as defined in 24 CFR 578.3.
- 2) New permanent housing-rapid rehousing (PH-RRH) projects that will serve homeless individuals and families, including unaccompanied youth;
- 3) Joint Transitional Housing (TH) and Permanent Housing-Rapid Rehousing (PH-RRH) component projects as defined in the 2024 CoC Program NOFO to better serve homeless individuals and

- families, including individuals or families fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who meet the following criteria:
- a. residing in a place not meant for human habitation;
 - b. residing in an emergency shelter;
 - c. person meeting the criteria of paragraph (4) of the definition of homeless, including persons fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking;
 - d. residing in a transitional housing project that is being eliminated;
 - e. residing in transitional housing funded by a Joint TH and PH-RRH component project as defined the 2024 CoC Program NOFO, or
 - f. receiving services from VA-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.
- 4) Dedicated HMIS project for the costs at 24 CFR 578.37(a)(4) that can only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant, and that is listed on the HMIS Lead form in the CoC Applicant Profile in e-snaps. Additionally, if the CoC has organizations within its geographic area that are victim service providers, the HMIS Lead, or subrecipient, may request HMIS funds for a comparable database. Victim service providers may also request HMIS funds in their project application budgets to enter data into a comparable database.
- 5) Supportive services only (SSO-CE) project to develop or operate a centralized or coordinated assessment system in Fayetteville/Cumberland County.

B. New Projects Created Through Domestic Violence Bonus

Applicants may use the Domestic Violence Bonus funds to create:

- 1) Permanent Housing-Rapid Re-housing projects dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined as homeless at 24 CFR 578.3;
- 2) Joint TH and PH-RRH component projects as defined in HUD's FY2022 CoC Program NOFO dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that are defined as homeless at 24 CFR 578.3; or
- 3) Supportive Service Only Coordinated Entry project to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meeting the needs of individuals and families experiencing homelessness, including victims of domestic violence, dating violence, sexual assault, or stalking. Only one supportive service only project will be funded.

C. Expansion Project

Under the FY2024/25 CoC Program NOFO, HUD will allow project applicants to apply for a new expansion project (see the FY2024 CoC Program NOFO) under the DV Bonus, reallocation process or CoC bonus processes in order to expand eligible existing projects that will increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects. If the new expansion project will expand an existing eligible CoC Program renewal project HUD will not fund capital costs (i.e., new constructions, rehabilitation, or acquisition) and HUD will only allow a 1-year funding request. Project applications submitted as an expansion project must meet the criteria established in the CoC Program NOFO.

D. Consolidated Project

Applicants that intend to use the consolidation process to combine two or more (but no more than ten) eligible renewal projects (e.g., permanent housing-permanent supportive housing projects) may do so through the renewal project application and must ensure:

- (a) Budget Line Items (BLIs) for the consolidated project application submitted exactly match the sum of the BLIs for each of the individual projects as they appear on the GIW located on HUD's website, or grant agreement as amended;
- (b) inclusion of the expiring grant numbers with period of performance and budget period start and end dates for the projects that are consolidating;
- (c) current period of performance and budget period end dates must end in CY 2024;
- (d) are in good standing with HUD, meaning none of the projects have:
 - (i) outstanding audit or monitoring findings,
 - (ii) outstanding obligation to HUD that is in arrears,
 - (iii) unresolved construction delays,
 - (iv) a history of poor financial management/drawdown issues,
 - (v) history of low occupancy levels, or lack experience in administering the project type, or
 - (vi) other capacity issues.
- (e) the projects have the same recipient and are for the same component.

D. Transition Grant

A grant to fund a new CoC project through the reallocation process to transition an eligible renewal project from one program component to another eligible new component over a 1-year period. The renewal project transitioning to a new component must be fully eliminated through reallocation. Transition grants in this Competition may apply to renew in subsequent fiscal year competitions for eligible activities of the new component.

Prior to applying for a transition grant, the current recipient must have the consent of its Continuum of Care; and the new project application must meet project eligibility and project quality thresholds established by HUD in sections III.C.4.a. and b. of this NOFO. Transition grants HUD conditionally awards in the CoC Program Competition have 1 year to fully transition from the original component to the new component. The transition grant's operating start date will be the day after the end of the previous grant term for the expiring component. For transition grants reallocated from more than one project, the operating start date of the transition grant will be the day after the end of the earliest expiring grant term. The grant term may be extended consistent with 2 CFR 200.308 and 2 CFR 200.309.

After the first operating year for which FY 2024 funds are awarded, the transition grant must be fully operating under the new component and will be eligible for renewal in the FY 2025 Operating year under the component to which it transitioned subject to the language in the FY 2025 HUD Appropriation. Projects seeking to renew with FY 2025 funds (including grants that renewed with FY 2024 funds) may submit a transition grant application for FY 2025 funds. Subject to the language in the FY 2025 HUD Appropriation, transition grant applications awarded FY 2025 funds must fully transition to the new component by the end of the 1-year grant term and must apply for renewal in the next CoC Program Competition under the component to which it transitioned.

The following guidance indicates the costs that may be included in program budgets, to be paid for by the CoC grant or by matching funds.

- Rental Assistance;
- Leasing;
- Supportive Services;
- Operating Costs to provide transitional housing; and
- Project Administration.

Refer to the [CoC Program NOFO](#) for additional information.

Ineligible costs: Program funds may not be used for rental assistance and operating costs in the same project. Program funds may not be used for the maintenance and repair of housing where the costs of maintaining and repairing the housing are included in the lease.

CHANGES TO THE VIOLENCE AGAINST WOMEN ACT (VAWA) AND MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

Under the CoC Program and other HUD programs, HUD is now required to consider the following criteria for qualifying as “homeless” for any individual or family who (changes in bold):

- Is **experiencing trauma or a lack of safety related to, or fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking or other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual’s or family’s current housing situation, including where the health and safety of children are jeopardized;**

HUD has determined that this new eligible activity category is not subject to the CoC program’s spending caps on administrative costs under section 423(a)(10), (11), and (12). This activity may be included in new project applications. It may also be added to eligible renewal projects through expansion or added to eligible renewal projects by shifting up to 10 percent of funds from one eligible activity to the VAWA costs line item.

HUD DEFINITIONS

Chronically Homeless

A "chronically homeless" individual is defined to mean a homeless individual with a disability who lives either in a place not meant for human habitation, a safe haven, or in an emergency shelter, or in an institutional care facility if the individual has been living in the facility for fewer than 90 days and had been living in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately before entering the institutional care facility. In order to meet the "chronically homeless" definition, the individual also must have been living as described above continuously for at least 12 months, or on at least four separate occasions in the last 3 years, where the combined occasions total a length of time of at least 12 months. Each period separating the occasions must include at least 7 nights of living in a situation other than a place not meant for human habitation, in an emergency shelter, or in a safe haven.

Chronically homeless families are families with adult heads of household who meet the definition of a chronically homeless individual. If there is no adult in the family, the family would still be considered chronically homeless if a minor head of household meets all the criteria of a chronically homeless individual. A chronically homeless family includes those whose composition has fluctuated while the head of household has been homeless.

CoC Deed-Restricted

Means a site-based program in a building purchased, constructed or rehabilitated with Continuum of Care funds, where the building is subject to a deed restriction related to its CoC funding requiring that it be used for transitional housing or permanent supportive housing for a period of 10 years after the date of initial occupancy, and the building is within the 10-year restricted period.

DedicatedPLUS Project

A DedicatedPLUS project is a permanent housing-permanent supportive housing (PH-PSH) project where 100 percent of the beds are dedicated to serve a broadened criterion of individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth.

Housing First

A model of housing assistance that is offered without preconditions (such as sobriety or a minimum income threshold) or service participation requirements, and rapid placement and stabilization in permanent housing are primary goals. The only real expectations of Housing First, which the individual agrees to prior to starting with the program, is to agree to have support workers visit at home, to pay their rent on time and in full (or agree to third party payment of rent), and to avoid disrupting the reasonable enjoyment of other tenants in the same building that would cause their eviction.

Joint Transitional Housing (TH) and Permanent Housing - Rapid Rehousing (PH-RRH) Project

Is a project that includes two existing program components – transitional housing and permanent housing- rapid rehousing – in a single project to serve individuals and families experiencing homelessness.

Mainstream Services

Publicly funded programs that provide services, housing and income supports to low- income persons whether they are homeless or not. They include programs providing welfare, health care, mental health care, substance abuse treatment, and veterans' assistance.

Permanent Supportive Housing (PSH)

Permanent housing in which supportive services are provided to assist homeless persons with a disability to live independently. Permanent housing is community-based housing without a designated length of stay. To be permanent housing, the program participant must be the tenant on a lease for a term of at least one year, which is renewable for terms that are a minimum of one month long, and is terminable only for cause.

Rapid Rehousing (RRH)

Short-term (up to 3 month) or medium-term (3 to 24 months) financial assistance to obtain or maintain permanent housing, along with case management during the period of rental assistance.

Scattered Site

Housing model in which the housing units are not located in a single building.

Transitional Housing (TH)

Housing, where all program participants have signed a lease or occupancy agreement, the purpose of which is to facilitate the movement of homeless individuals and families into permanent housing within 24 months or such longer period as HUD determines necessary. The program participant must have a lease or occupancy agreement for a term of at least one month that ends in 24 months and cannot be extended.
